

Hi, I'm Lawrence Honeydew melon. I'm going to be showing you how to hang your artwork. But before we begin, let's just check we have everything...

## learn to dream™ a guide on how to hang a split baton artwork

One more thing. Don't forget to look out for my top tips along the way.

### STEP 1

Mark out on your wall with a pencil where you'd like to hang your artwork. It's best to use a spirit level to keep it nice and straight.

### STEP 2

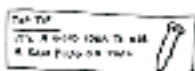

Where you've marked, drill a holes. Just double check that these match the holes on the provided baton, otherwise you'll look a right monkey.

### STEP 3

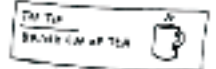

Use a Philips screwdriver to attach the baton to the wall with the screws provided. Make sure the groove is on the top.

### STEP 4

Finally, take your artwork and slot the baton on the reverse of the artwork onto the one on the wall.

Well done matey, you've successfully hung your artwork.
